Santa Carving Class

As announced previously the club will sponsor a free Santa carving class for members with instruction by Gene Fuller, Eric Owens and Larry Crist. The first session will be held on Saturday, October 14 from 9am to 4pm at the home of Eric Owens, 7179 Chilacot Dr., Boise. Members who signed up for the class need to bring \$15 to pay for the Moore roughout, but there will be no charge for the instruction. Follow-up sessions will be held. We could use a couple of additional tables. If you can bring one, contact Eric at 208 695-6537 or boiseowens@gmail.com. We still have spaces and roughouts , so come even if you have not signed up.

10-2017 President's Message

Hi IWG Members,

We had great food and a good time at our September picnic. Thanks to all who came. Those who participated in the name plaque carving can claim their award at the October meeting. We also appreciate those who helped out with demonstrations at the Woodcraft Expo. The featured artist experiment at the Artzone208 gallery gave us some additional exposure and generated a few sales, but not enough to give us confidence that a membership would pay off. The Santa carving project kicks off on Saturday, October 14. See the detailed announcement in this newsletter. We will be back at Woodcraft for our regular monthly meeting on October 12, with fun seasonal project. I hope to see you there, which you can see [here](#).

Doug
