11-2017 President's Message

Hi IWG Members,

We had a good turn-out for our October meeting and appreciate the work of those who provided the cut-outs and instruction for the Halloween pumpkin project. The Santa rough-out carving project at Eric's on October 14 was also well-attended and with Gene, Larry and Eric's help, those who participated got a good start on this Christmas project. As an added bonus, we got to enjoy good food and even a front row seat for the air show at Gowen Field during breaks. (Thank you Eric and Thekla.) If you need help with your Santa, bring it on Thursday evenings to our open carving at Woodcraft, where our instructors will take turns assisting. Our November 9 meeting will include another fun seasonal project, a Santa profile that is suitable for beginning carvers. We welcome our new members and look forward to getting to know you better.

Doug

It is with sadness that I inform you that Gordon passed away October 18, 2017.

I know that he enjoyed participating when his health allowed.

He has many tools for carving and I would appreciate it if any of the members would like to take a look and possibly purchase one or more of the items.

I can be reached at: JMills3537@aol.com

2018 Idaho Artistry in Wood Show

All of you should have received the Invitation to Artists for the March 17 and 18 Idaho Artistry in Wood Show. Plan now to have something ready to enter in the event. We look for good participation by club members. Thank you to Lisa Garnes for helping out with the publicity for the show.

Bark carving is very popular, thanks to Beck,
But not sure if he is happy about it. :)
