Business meeting about 8 pm (if needed)

The **SEPTEMBER MEETING** will take place at Wright Congregational Church located at 4821 W Franklin St. (which is just a bit east of Orchard on the South Side of Franklin) at 6pm. It is our annual picnic meeting, i.e.. Potluck. The Guild will provide meat (chicken) water, some utensils, and paper plates for those who need them. We ask members with last names A-H to bring a main dish. I-N please bring a salad, O-Z a dessert. Please bring your "Show and Tell" Items.

For those of you who traveled this Labor Day Weekend I hope your travels were safe.

I am happy to report that our Guild sponsored projects have been planned for the next six months. I am especially pleased with the great interest and progress that has been made on the "chain project". If you have an idea for a project please do not hesitate to share it with me.

I want to report that Monte E., owner of Woodcraft, was very pleased with our gesture of appreciation (a \$50 gift certificate to Niki, he is currently very interested in running) for the building use every Thursday evening.

Remember that we have an extensive library, housed at Eric's home, if you ever need an idea or a resource.

It seems I have plenty of bark for the upcoming Guild Bark Carving Class to be held this fall. I suspect we will do one Saturday, all day, to help everyone get a good start and then be available for the next several Thursday evening sessions.

Finally, September is the traditional time for our Guild members to renew their membership. The cost is \$20 per year per family. Please see Treasurer Jim, about updating your membership, you will be glad you did..
