First Gold Stars Presented

Above is the very first group of carvers to get a gold star for their individual work on the monthly club project, great work all.

We are all saddened to learn of the passing of long-time Guild members Monte Dick and Ken Peterson. Our thoughts, prayers and good wishes are extended to their families and friends.

Bark Carving Day

Special thanks to the Owen's for allowing us to use their lovely home for our day together.

Beck and Claire worked all day helping everyone work on their project and getting them as close to completion as possible in one day. Great job guys and thanks for your help.
