Idaho Artistry in Wood and Gourd Show
March 16-17, 2019

Mark your calendars and finish those
carvings

The annual Idaho Artistry in Wood and Gourd Show, is coming sooner than you think, March 16-17, 2019. So, I hope you are working on your entries. Our March meeting will be just one day before the show registration and it has been decided that at least a portion of the March meeting will be dedicated to receiving entries for the IAWS, and if you wish we will also transport them to the Show for you. Such a deal, I believe, you will not want to miss.

Our very own Gene Fuller will be the featured artist this year at the Idaho Artistry in Wood and Gourd Show. I would encourage you to gather up a few of your friends and come to show, so we can really support Gene in this special honor and occasion.

On February 21st at Open Carving we had 20 people show-up for some good times, carving and good conversation. Why not come and join us, there is ALWAYS space for one or two more.

More carvers getting their gold stars for completing or almost completing monthly Guild Projects. Be sure to bring your carving next time to receive your gold star.
