

6 p.m. at Woodcraft on October 10

Meeting Program:

We will have an illustrated presentation on the History of Wildfowl Carving as part of the meeting. You can also continue working on your owl carving project from our last meeting if you did not finish it. If you completed and donated it, you can get another block and start a new one for your Halloween decor. Be sure to bring any carvings you have completed recently for show and tell.

Membership Renewal:

If you have not already paid your membership dues as a new or renewing member in 2019, please send your check to the club treasurer, Jim Jameson, 12450 W Edna Dr., Boise, ID 83713. We will not be collecting dues at the October meeting as Jim is on a well-earned vacation in Hawaii.

Appreciation:

Thanks to all those who supported the club by demonstrating carving at the September 28 Woodcraft Expo or the October 6 Dry Creek Farm Days event.
