

Greetings all you Idaho wood carvers. I sincerely hope that your Thanksgiving together with family and friends was a good time for everyone.

We will be having another good time this coming Thursday evening beginning at 6 PM when we will have the IWG Christmas party. It will take place at the Edgewood Spring Creek Senior Living Community Center, 175 E. Calderwood, Meridian, about one half mile south of the intersection of Meridian and Overland Roads. The community center is the large round building surrounded by parking spaces that you will see as you enter the facility. Contact Doug Rose if you need precise directions.

We will have a very special guest(s) this year narrating everyone's favorite Left/Right Gift Exchange Story. You will not want to miss this! Remember the gift for the exchange need only be hand/homemade.

The Guild will provide ham as the main meat dish, plastic spoons, forks and knives, paper plates and water. We are asking that if your last name begins A thru K that you bring a side dish, L thru Z bring a salad, and anybody can bring a desert.
