Meetings: Zoom sessions on Thursdays at 7 p.m. Watch for the weekly link from Eric provided by email.

Time to come out of the woodwork and into the open carving! Our first in-person gathering in more than a year will be an outdoor carve-in on **Saturday, June 19 from 9 a.m. – 4 p.m.** at the home of Tony Sciascia, who will lead us through a project carving one of the seven dwarfs from Disney's Snow White. The address is 2246 East Horse Creek Ct. in Meridian. We will have a picnic lunch with the club providing the main course.

Summer Project

Our next project will be an easy one. A 3" x 3" x 3/4" block will be available for you at the June 19 event for you to carve a profile of your choice to attach to a 4" x 4" birch panel. Patterns for that size will be available, but you can create one of your own if you wish. Samples are included below:

d was second best of show.
