Meetings: Zoom sessions on Thursdays at 7 p.m. Watch for the weekly link from Eric provided by email.

Coming Events:

Saturday, September 18

Eric and Thekla will host an outdoor carving day at their home, 7179 W Chilacot Dr., Boise from 10 a.m.-3 p.m. A pattern and wood will be provided for those who would like to do a beginner Santa bust carving with help from Eric. If you would prefer to work on your own project, you can do that and enjoy the camaraderie.

October

The date will be decided based on weather for our October activity, but we plan to get together again outdoors. Larry has ordered wood and will provide cut-outs and

instruction for a 7" old world style full figure Santa. Christmas is coming sooner than you think. (See the picture at the end of this newsletter.)

Plans for November and December will be determined based on health guidelines in effect at the time.

Report on summer activities:

Carving Day

We had a good turn-out for the carving day at Eric and Thekla's. There were giveaways, project ideas, carving tips, pizza and enjoyable conversation with friends.

Western Idaho Fair

We were well represented at the Western Idaho Fair. There were lots of ribbons on entries submitted by club members. Eric Owens' cowboy won the Best of Show award for the entire Hobbycraft Department. Other participants from the club included Jim Jameson, Don Brigham, Ted Smith, Dave Roberts, Tara Jones, Beck Beus, Brad Winters, Doug Rose and new club member, John Wilson.

Content for next Newsletter:

I have received pictures of recent works from a couple of you, but I would like to do a gallery for the next newsletter and could use photos of other pieces I know have been completed over the summer. Send them to roseboise@yahoo.com as attachments to an email. - Doug

Club Display Projects:

The Board decided not to take those relief carvings and profiles you have been doing for club display away from you at this point. You can enjoy holding onto them for a while until we have a mounting panel ready and an event where they can be displayed. We will call for them at that time, so don't give them away.
