## November 13 & 18 2025 Club Meeting Minutes

- **Treasures Report:** The treasurer's report was presented to the members in attendance. Please contact Nate Meeks if you have any questions.
- **IAW:** John Greener advised the members there is 18 weeks until the show, scheduled for March 21-22, 2026, at JUMP. The details of John's report can be found in the November Newsletter. An additional item was presented by Issac Bradfield. The IAW committee is requesting each of the clubs in IAW to offer feedback on the possibility to participate in a PBS March telethon to raise money and/or provide publicity for the IAW show as well as raise awareness of the various activities of each of the clubs. John will share our feedback at the IAW meeting.
- **Christmas Party Announcement:** The Christmas party is scheduled for Saturday, December 20, 2025 at 3:00 – 5:00 pm at Hillview United Methodist Church located at 8525 W Ustick Road, Boise, just west of N Milwaukee Street. The event will be a holiday sweet treat potluck. The club will provide paper plates, utensils and napkins along with water and lemonade. There will be a show-and tell for those who bring a recently completed carving. There will be a gift exchange. Those who wish to participate can bring a handmade gift. It can be a carving, food, or other special handmade item. The format will be a steal-a gift, to be frozen on the second steal.
- **Name Tag Competition:** All club members are requested to carve a name tag to bring to the Christmas party. Eric has donated 3 carvings as prizes for the top three judged name tags.
- **Club Vests:** This is an ongoing discussion to select a club vest to be presented to members along with a club badge. Specifics are still in discussion by the Executive Committee for presentation and approval by the club.
- **Saint Alphonsus Festival of Trees:** The Festival Gala is the evening of November 25, 2025, followed by General Admission, November 26 – 30, 2025. We have pictures of the IWG entry that were shared at each of the club meetings. The tree is too heavy and large to fit in a car to display at our club meeting and it needs to be delivered Saturday, November 15, 2025. There are a number of ornaments that did not fit on the tree. It was determined a smaller tree would be decorated and presented to the Women and Children Alliance. Amber Hoid will coordinate the donation.
- Thursday night carving will be dark on Thanksgiving, Christmas and New Year's Day.
- **Project:** Larry Crist presented this month's project. He brought a number of various shaped pieces of tree bark for carving. A good time was had by all.

Respectfully Submitted by,

Nate Meeks, Secretary/Treasurer

“Thank you to every woodcarver that donated an ornament for our tree! We received first place in our division! Everyone I have spoken with has admired the work and marveled at the talent that created it. Give yourselves a pat on the back! Thanks again for promoting our craft and our club!” ~ *Cathy Carson*

Tony Sciascia shared photos of his latest project.

Michael Chamberlain shared photos of his latest project – a work in progress.

1. Working on a "Keystone Cop" hand puppet head (woodcarving) Pics are of final carving & after sanding and adding eyes. Now, working on separate hat and whistle to go with it.

2. Also working on a 'turned' & carved Jim Henson 'Beaker' (Muppet) - This is my very first piece turned on a lathe, so having fun with that.

[Fun Fact: Jim Henson created the word "Muppet" as a combination of the words "Marionette" & 'Puppet'; although Muppets in general were not marionettes, he simply liked the sound of the word]
